Ruthvik P. Thimmoji

UI/UX Designer

Bengaluru, India | +91 6361906550 | thimmojiruthvik@gmail.com

Portfolio | LinkedIn | Behance

Profile

UI/UX Designer with experience across CMS interfaces, client product design, and digital experiences. Focused on clear visual hierarchy, intuitive workflows, reusable UI patterns, and consistent interface systems. Uses Figma for interface design and prototyping, with frontend development knowledge that supports practical collaboration and implementation.

Skills

Design: UI Design, UX Design, Wireframing, User Flows, Prototyping, Design Systems, Components & Variants, Visual Hierarchy, Typography, Responsive UI

Tools & Development: Figma, React, Next.js, Tailwind CSS, HTML, CSS, JavaScript

Experience

UI/UX Designer Intern *May 2026 – Present*

StudyCruX | Bengaluru, India

- Design and refine CMS interfaces, including sidebars, navigation layouts, and variations of reusable UI patterns.
- Incorporate team feedback and review comments into iterative design updates while maintaining consistency across screens.
- Work with CMS workflows and information structures to improve interface clarity and navigation.

Freelance UI/UX Designer *Oct 2023 – Jul 2026*

- Designed product interfaces and digital experiences, focusing on clear layouts, intuitive interactions, and consistent UI patterns.
- Worked on onboarding flows, UX audits, high-fidelity screens, and reusable components for product experiences.
- Created Figma designs and prototypes with attention to implementation and developer handoff.

Graphic Designer *Jun 2023 – Oct 2023*

OMS: Open Mind School

Graphic Designer *Apr 2023 – Jun 2023*

Penger Advertising

- Created visual design deliverables with attention to typography, composition, layout, and visual consistency.

Selected Projects

SportSea – *Client Product Design*

- Designed product interface screens in Figma, focusing on consistent layouts, clear information presentation, and reusable patterns.

StudyCruX CMS – *CMS Interface Design*

- Worked on CMS sidebars, navigation structures, and interface variations, refining designs based on team feedback.

Juzzpay & UI Explorations

- Product work and additional UI explorations; see portfolio for selected screens and project details.

Education

Bachelor of Engineering in Computer Science *2018 – 2022*

East West Institute of Technology, Bengaluru
